STANDARD WARRANTY

Except as otherwise provided by law and unless otherwise explicitly agreed to in writing by Micron, Micron makes no warranties, expressed or implied, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose other than as follows:

1. On equipment, Micron warrants only that the computer will be in good working order and free from defects in materials and workmanship for one (1) year from the date of purchase.

2. On software, Micron makes no warranty whatsoever and all software is sold "as is" and "with all faults."

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Any claims against Micron must be made within one (1) year from the date of shipment by Micron and Micron has no liability thereafter. Micron's liability is limited to repair, replacement, credit or refund, provided that Micron may elect refund in lieu of credit, replacement or repair. All warranties cover only defects arising under normal use and do not include malfunctions or failures resulting from misuse, abuse, neglect, alteration, modification or improper installation, or repairs by anyone other than Micron. Micron may repair or replace parts with new or reconditioned parts. Any parts replaced by Micron shall become the property of Micron. All warranties granted herein are to the initial end-user and are non-transferable. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Micron's products are not authorized for use as critical components in life support devices or systems without the express written approval of the president of Micron.

In no event shall Micron be liable for any indirect, special, incidental or consequential damages resulting from Micron's performance or failure to perform under this sale, or the furnishing, performance or use of any goods or services sold pursuant hereto, whether due to a breach of contract, breach of warranty, the negligence of Micron or otherwise.

LIFETIME TECHNICAL SUPPORT

Every Micron Computer carries a lifetime toll-free technical support service. Our technicians will make every possible effort to help you through problems that may arise with your computer. Policy applies exclusively to Micron brand systems.

EXPRESS PARTS REPLACEMENT

1. Micron will replace any part of any system manufactured or assembled by Micron which is determined by Micron to have failed. Replacement is subject to availability of parts within Micron's inventory.

2. Replacement parts will be shipped via overnight courier if requested. Micron is not responsible for failure of the express courier service to make good on their delivery commitment.

3. For overnight shipment of replacement parts, the customer must notify Micron Technical Support no later than 12 p.m. Mountain Standard Time. Every attempt will be made to help you take corrective action over the phone prior to replacement.

4. Customers must obtain an RMA (Return Merchandise Authorization) number from Micron for any merchandise being returned to Micron for either warranty or guarantee purposes. We request that you ship the part to Micron in the original condition and packaging, prepaid and insured.

5. Customer must provide Micron with a charge card number covering the replacement cost of the failed product before obtaining an RMA number. Micron will not charge your credit card unless customer fails to return the part within 10 working days at customer's expense. If customer can not provide a charge card number, Micron will ship replacement products C.O.D. cashier's check and reimburse customer upon Micron's receipt of the part.

6. If Micron determines that failure of the part or system was not a result of a defect in Micron products or assembly, Micron reserves the right to charge the customer for repairs and inspection at a labor rate of $60.00 per hour. Micron will advise customer of these circumstances in advance of assessing any charges.

NO VARIATION OR EXCEPTIONS IN THE POLICIES STATED HEREIN WILL BE MADE WITHOUT WRITTEN AUTHORIZATION BY AN OFFICER OF MICRON COMPUTER, INC.

ON-SITE SERVICE

Micron reserves the right at its discretion to either dispatch on-site service or replace systems. On-site service is a remedial service and is provided by a third-party servicer and may not be available in some remote locations.
